

C JAM BLUES

SWING ♩ = 130

DUKE ELLINGTON

Chords: C7 C7 C7 C7

Chords: F9 F9 C7 C7

Chords: G9 F9 C7 C7

HOMEWORK!

Using only 2 or 3 notes from the blues scale, make up your own line using the rhythms in the 4th bar of each line.

If you're having fun try making up your own rhythms! Swing rhythms need a combination of 1/8 and 1/4 notes to create syncopation. Avoid starting and finishing on the beat.
