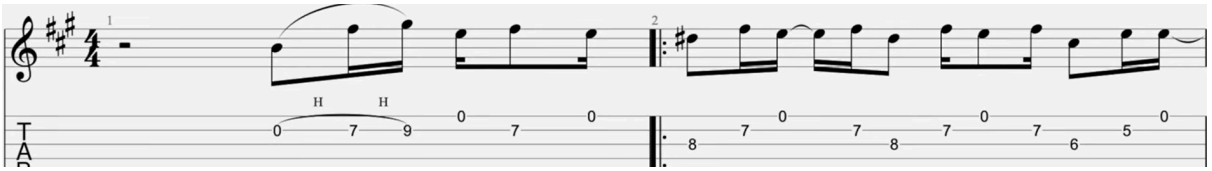
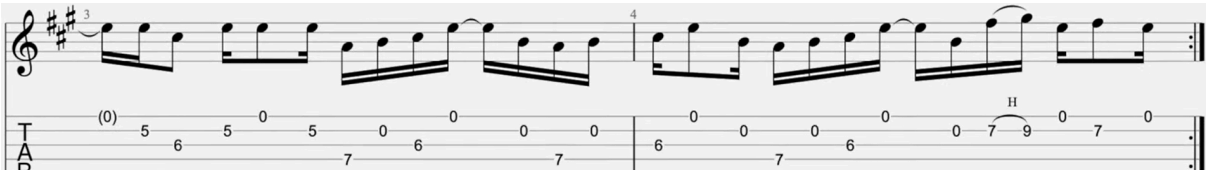
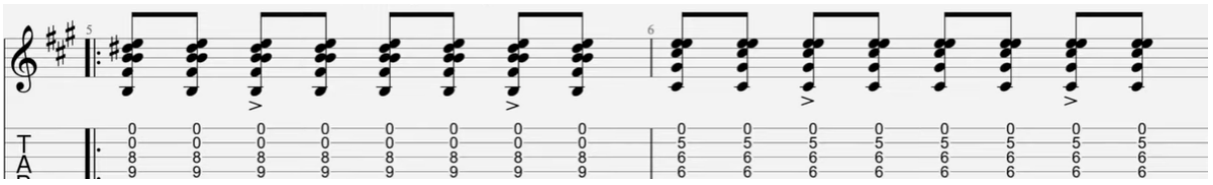
Riffs



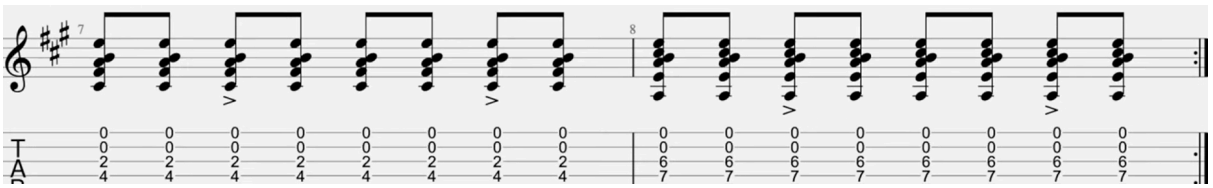


Chords

Eadd11 F#m

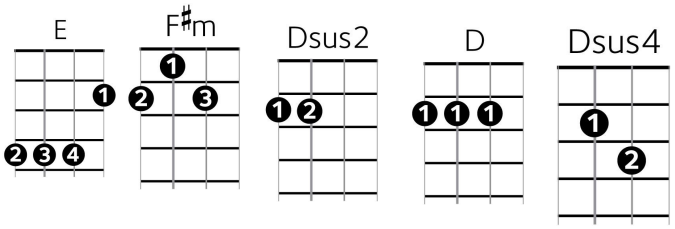


Bm7add11 Dadd11



Chords *(yeah, right)* **in postcode form**

Eadd11	9800	or 4440
F#m	6650	or 2120
Bm7add11	4200	or 2200 (see the Dsus2 below)
Dadd11	7600	or 2230 (see the Dsus4 below)



The ideas (and tab) for this are taken from the [Progressive Guitar tuition video “How to Play Rein Me In by Sam Fender (updated)”.] You can’t play along with him, but the fingering is the same on the uke (in a different key). Importantly it gives you the rhythm and timing for it.
