

VERSE 1

I was stumbling round blind
 Like a wreck I came to you
 So I staggered through the night
 Seeking out your rescue blues

Gonna' burn your name right across the sky
 So I never forget what the feeling's like
 Gonna' burn your name right across the sky
 So I never forget what the feeling's like

CHORUS

C **G**
 I want every single soul to know
Am **F** **F**
 That I love you for what you are
C **G**
 So I sound the bells that praise
Am **F** **F**
 Your precious heart

 In a burst o' broken light
 And a spell will hold us back
 Shattering like glass
