

Birds of a Feather

©2024 Billie Eilish, Finneas O'Connell

Four chord cycle all the way through. Verse and chorus. Doesn't change. Two bars per chord. I choose to do it in the original key of D (D, Bm, Em, A)

Verse 1

I want you to stay
'Til I'm in the grave
'Til I rot away, dead and buried
'Til I'm in the casket you carry

Verse 2

If you go, I'm going too, (uh)
'Cause it was always you, (alright)
And if I'm turnin' blue, please don't save
me
Nothing left to lose without my baby

Refrain

Birds of a feather, we should stick
together, I know
I said I'd never, think I wasn't better alone
Can't change the weather, might not be
forever
But if it's forever, it's even better

Chorus

And I don't know what I'm cryin' for
I don't think I could love you more
It might not be long, but baby, I....
1. I'll love you 'til the day that I die
(2nd time - *Don't wanna say goodbye*)
'Til the day that I die...
'Til the light leaves my eyes...
'Til the day that I die....

Verse 3

I want you to see, *hm*
How you look to me, *hm*
You wouldn't believe if I told ya
You would keep the compliments I throw ya

Verse 4

But you're so full of shit, uh
Tell me it's a bit, no
Say you don't see it, your mind's polluted
Say you wanna quit, don't be stupid

Chorus

Refrain 2

Birds of a feather, we should stick
together, I know (*'til the day that I die*)
I said I'd never think I wasn't better alone
(*'til the light leaves my eyes*)
Can't change the weather, might not be
forever (*'til the day that I die*)
But if it's forever, it's even better

I knew you in another life (*Outro riff starts*)
You had that same look in your eyes
I love you, don't act so surprised

Written out October 2025 after a revelation that Wham's *Last Christmas* has the same chord progression and feel. Mash baby mash.
