

I Wish I Were Twins (Frank Loesser)

Key of C

[C7] [F] [C7] [F]

[F] I wish that I were twins, [G7] you great big babykins,

So [C] I could love you twice as much as I [F] do. [C7]

I'd have [Dm] four loving arms to [Am] embrace you,

[Dm] Four eyes to idolise you each [Am] time, I [G7] face [C7] you.

[F] With two hearts twice as true, [G7] what couldn't four lips do?

When [C7] four ears hear you [Gm] saying "I'm [A] yours".

[Bb] You great big babykins, [F] I wish that [D7] I were twins,

So [G7] I could love [C7] you twice as much [F] as I [C7] do.

Solo to verse chords:

[F] I wish that I were twins, [G7] you great big babykins,

So [C] I could love you twice as much as I [F] do. [C7]

[Dm] Four legs would run to you at the [Am] double,

[Dm] Four hands to hold and hug you so [Am] tight, [G7] day-and [C7]-night.

[F] With two hearts twice as true, [G7] what couldn't four lips do?

When [C7] four ears hear you [Gm] saying, "I'm [A] yours".

[Bb] You great big babykins, [F] I wish that I were [D7] twins,

So [G7] I could love you [C7] twice as much as I [F] do,

Oh [D7] yeah,

building to big finish!:

So [G7] I could love you twice as much,

[G7] Yes I mean twice as much,

[G7] That's twice as nice as much . . . as I [C7] a. . . ready [F] do! [C7/] [F/]
