

Kashmir

© 1975 Bonham, Plant, Page

Verse 1 - Part A Dsus2 Dsus2+5 Dsus2 6
D7 D

Oh, let the sun beat down upon my face
With stars to fill my dreams
I am a traveller of both time and space
To be where I have been
And sit with elders of the gentle race
This world has seldom seen
They talk of days for which they sit and wait
When all will be revealed

Part B – see notated riff. Or play ...

A string 5 5 3 3 0 0

E string 3 3 1 1 1 0

C string 2

Verse 2 – Part A Dsus2 D+ D6 D7 D

Talk and song from tongues of lilting grace
Whose sounds caress my ear
But not a word I heard could I relate
The story was quite clear

Oh, oh - twice through the progression

Part C - (just an A chord and indecipherable mumbling)

Verse 3

Ooh, baby, I been flying
No yeah, mama, there ain't no denying
Ooh, yeah I've been flying
Mama, mama, ain't no denying, no denying

Part B riff

Verse 4 – Part D Gm to A for each line

All I see turns to brown
As the sun burns the ground
And my eyes fill with sand
As I scan this wasted land
Trying to find, trying to find, where I've been

Verse 5 – Part A Dsus2 D+ D6 D7 D

Oh, pilot of the storm who leaves no trace
Like thoughts inside a dream
Heed the path that led me to that place
Yellow desert stream
My Shangri-La beneath the summer moon
I will return again
Sure as the dust that floats high in June
When movin' through Kashmir

Part B riff

Verse 6 – Part A Dsus2 D+ D6 D7 D

Oh, father of the four winds, fill my sails
Across the sea of years
With no provision but an open face
Along the straits of fear

Oh, oh - twice through the progression

Part B riff

Verse 7/Outro Part D Gm A

When I'm on, when I'm on my way, yeah
When I see, when I see the way, you stay-yeah
Ooh, yeah-yeah, oh, yeah-yeah, when I'm down
Ooh, yeah-yeah, oh, yeah-yeah, but I'm down,
so down
Ooh, my baby, oh, my baby, let me take you
there
Come on, let me take you there...let me take you
there

Chords for the Part A

All chords (except the D5) are based on a Dsus2 (2200) shape.

Dsus2 (2200)

Dsus2#5 (2201)

D6sus2 (2202)

D7sus2 (2203)

D5 (2255) – this could also be a normal D (2225 or 2220). This is mostly because of the difficulty of fingering a (2205).
