# The Drugs Don’t Work

© 1997 Richard Ashcroft (The Verve)

**Verse 1**

C
All this talk of getting old,
Am
It's getting me down my love
Em F
Like a cat in a bag waiting to drown
G C (G-C)
This time I'm comin' down

**Verse 2**

C
And I hope you're thinking of me
Am
As you lay down on your side

**Refrain** (repeat)

Em
Now the drugs don't work
F
They just make you worse
G C (G-C)
But I know I'll see your face again

**Verse 3**

C
But I know I'm on a losing streak
Am
'Cause I passed down by my old street
Em
And if you wanna show, then just let me
F G C (G-C)
know and I'll sing in your ear again

**Repeat Refrain**

**Chorus**

F Em Am G
Cause baby, Oooh- if heaven calls, I'm coming soon
F Em Am
Just like you said, if you leave my life, I'm
G
better off dead

**Repeat Verse 1**

**Repeat Refrain (once)**

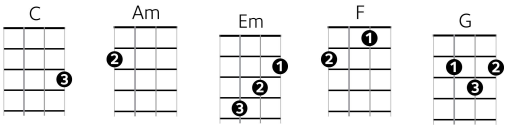
**Repeat Chorus then**

**Chorus** (extension)

( Em F
But if you wanna show, just let me know
G C (G-C)
And I'll sing in your ear again)

**Repeat Refrain**

Em
Now the drugs don't work
F
They just make you worse
G C (G-C)
But now I know I'll see your face again

**Outro** C (G-C)


Yeah- I know I'll see your face again
Yeah- I know I'll see your face again
Oh- now
Yeah, I know I'll see your face again
Never coming down, Never coming down
No more, no more, no more, no more, no more, no more
Never coming down, never coming down
No more, no more, no more, no more, no more
Oh- now
Yeah, I know I'll see your face again
