

# The Hardest Part

©2020 - Max Wolfgang, Felix Joseph & Olivia Dean

The rhythm in this song is a 3-2 Son Clave (common in a lot of songs that we do). And it is a 4 chord cycle song, but think of it as 'chord pairs' - **vi/V    IV/I**

We'll play it in the key of C, so the progression (as chord pairs (unless stated otherwise) is ....

**Am/G ... F/C**

## Verse 1

Call me up to meet you, static on the phone

Normally I need you, this time I don't wanna go

Lately I been growing into someone you don't know

You had the chance to love her, but apparently you don't

Dm

No, you don't

## Chorus (backing vocals)

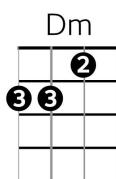

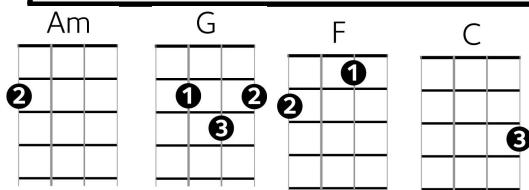

So evenif I could, (wouldn't go back where we started)

I know you're still (waiting, won-der-ing where my heart is)

Pray that things won't change, (but the hardest part is)

You're realising, (maybe I, maybe I ain't the same)

And what you're waiting for ain't there no more anyway

## Verse 2

Held you up so highly, deep under your spell

Your opinions would define me, this time I made some for myself 'Cause lately I been certain, there's no further to go

Yeah, you had the chance to love me, but apparently you won't

Dm

No, you won't

## Chorus

### Bridge

Dm      Fm

And it's okay, I'm not gunna remember

C

you that way

Am

Dm

You say I'm different now, like that's so strange

Fm

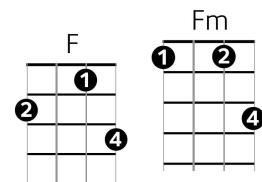

I was only eighteen, you shoulda

F

G

known that I was always gunna change

## Chorus
