

# Love Songs Ain't For Us

© 2021 Amy Shark & Ed Sheeran

## Verse 1

Caught in the moment 

Midnight in the room 

My breath and heart 

Got taken by you 

I'm just a girl 

Who's got nothing to lose 

And got butterflies 

But I'll stop if you want me to 

## Pre-chorus

And it's almost perfect tonight 

As the storm is raging, outside 

One kiss and I open my eyes

## Chorus

Yeah, you know love songs ain't for us 

No-thing could explain about the 

way it hurts so much 

But at the same time it's 

Perfect nights, it's open doors 

It's feeling safe, it's being sure 

It's a deep cut, crazy rush 

To feel like us 

## Verse 2

Alone in the dark 

It happened again 

Confused at the start 

But it's all making sense 

You're not yet a lover 

But you're more than a friend 

There are some things you know 

But things you can't understand 

## Pre-chorus

Oh, babe won't you kiss me all night 

While the storm is raging outside 

Lit up by the stereo light

## Chorus

No one knows, oh what it's like 

To feel like us 

Don't let go, oh, not tonight 

## Chorus (perhaps acapella)

## Outro

Hmm, hmm 

To feel like us
