**[G]** If the wife and I are lovin' brother that's our right  
Cause me and that sweet woman's got a **[G7]** license to delight  
Why don't you **[C]** mind your own business

**[G]** Mind your own business  
Cause if **[D7]** you mind your business, then you won't be mindin'  
**[G]** mine

The operator on our party line's a nosy thang  
They pick up their receiver when they **[G7]** knows it's my ring  
Why don't you **[C]** mind your own business

**[G]** Mind your own business  
Well, if **[D7]** you mind your business, then you won't be mindin'  
**[G]** mine

If I wanna honky-tonk around til two or three  
Now, brother that's my headache, don't you **[G7]** worry 'bout me  
Just **[C]** mind your own business  
**[G]** Mind your own business  
If you **[D7]** mind your business, then you won't be mindin' **[G]** mine

I got a gorgeous woman wears her hair up high,  
The boys all whistle when **[G7]** she walks on by  
Just **[C]** mind your own business  
**[G]** Mind your own business  
If you **[D7]** mind your business, then you sure won't be minding **[G]** mine

Mindin' other people's business seems to be high-toned  
I got all that I can do just to **[G7]** mind my own  
Why don't you **[C]** mind your own business  
**[G]** Mind your own business  
If you **[D7]** mind your business, then you won't be mindin' **[G]** mine

Yeah, if you **[D7]** mind your own business, you'll stay busy all the **[G]** time **[D]**
