All the way through - this is a I, ii, vi, IV song. One bar of each. But we'll do specific strums and some simple riffs.

## Verse 1

... I know you wanted me to stay  
But I can't ignore the crazy visions of me  
in LA  
And I heard that there's a special place  
Where boys and girls can all be queens  
every single day

... I'm having wicked dreams of leaving  
Tennessee  
Hear Santa Monica, I swear it's calling me

gonna scream

## Prechorus

... God, what have you done?  
You're a pink pony girl  
And you dance at the club. Oh mama,  
I'm just having fun

It's where I belong down at the

## Chorus

... Pink Pony Club

all

... I thank my wicked dreams, a year from  
Tennessee  
Oh, Santa Monica, you've been too good  
to me  
Won't make my mama proud, it's gonna  
cause a scene  
She sees her baby girl, I know she's  
gonna scream

## Pre-chorus

## Chorus

## Verse Three

... Don't think I've left you all behind  
Still love you and Tennessee  
You're always on my mind  
And mama, every Saturday  
I can hear your southern drawl a thousand  
miles away, saying
