

# Ring Them Bells - Bob Dylan

## VERSE 1

C Cmaj7 Am Am7  
 Ring them bells, ye heathen  
           F C  
 From the city that dreams,  
 C Cmaj7 Am Am7  
 Ring them bells from the sanctuaries  
           F G  
 Cross the valleys and streams,  
           F C  
 For they're deep and they're wide  
           C F  
 And the world's on its side  
 C Cmaj7 Am Am7  
 And time is running backwards  
           F C  
 And so is the bride.

C Cmaj7 Am Am7 F C

## VERSE 2

Ring them bells St. Peter  
 Where the four winds blow,  
 Ring them bells with an iron hand  
 So the people will know.  
 Oh it's rush hour now  
 On the wheel and the plow  
 And the sun is going down  
 Upon the sacred cow.

## BRIDGE

C Am  
 Ring them bells  
           C  
 for the blind and the deaf,  
           Am  
 Ring them bells  
           C  
 for all of us who are left,  
 C Am  
 Ring them bells  
           Am/g#  
 for the chosen few  
           Am/g  
 Who will judge the many  
           D7/f#  
 when the game is through.  
           F  
 Ring them bells,  
           C/e  
 for the time that flies,  
           Dm7 F/g  
 For the child that cries, when innocence dies.

## VERSE 3

Ring them bells Sweet Martha, For the poor  
 man's son,  
 Ring them bells so the world will know that  
 God is one.  
 Oh the shepherd is asleep  
 Where the willows weep  
 And the mountains are filled with lost sheep.

## BRIDGE

## VERSE 4

Ring them bells St. Catherine  
 From the top of the room,  
 Ring them from the fortress  
 For the lilies that bloom.  
 Oh the lines are long  
 And the fighting is strong  
 And they're breaking down the difference  
 Between right and wrong.

C Cmaj7 Am Am7 F C
