© 1994 Tina Arena, David Tyson and Christopher Ward  
The verses are largely one bar each of Am G in a montuno sorta fashion.

## Verse 1

Am G Am G  
I sang your praises daily  
Am G Am G  
And we let ourselves get swept away  
Am G Am G  
It's true baby, we held heaven in our  
Am G Am G  
hands for days

## Pre-Chorus 1

F C  
(You wait a long time)  
F C  
For something wild to take you  
somewhere  
F C Am G  
(And all I) needed was to fly  
F C F  
(It's a long way) from paradise to  
C F C  
ordinary, Picture us just smiling there,  
Am G  
we didn't have a care

## Chorus (backing vox 2<sup>nd</sup> time in brackets)

Am G Am G  
I remember, (La luna di Sorrento) how  
Am G Am G  
it all came true (La luna di Sorrento)  
Am G Am G  
It was oh so tender (La luna di  
Am G  
Sorrento), and I was lost with you  
F G Am  
By the sweet Sorrento moon  
Am G endlessly  
Ending - (I remember, la luna di Sorrento)

## Verse 2

Am G Am G  
But the stars don't burn that brightly  
Am G Am G  
Every season surely slips away  
Am G Am G  
But you baby, You're the reason why I  
Am G Am G  
chose to stay

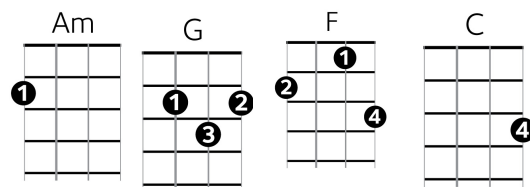

## Pre-Chorus 2

F C  
(You wait a long time)  
F C  
To find your dream and hold on to it  
F C Am G  
(And all I) needed was to fly  
F C F C  
(It's a long way) from innocence to under-  
standing  
F C Am  
A picture of a child at play, is how I feel  
G  
today

Instru: F C Am G x4 Oh Baby now....
