The verses uses a cycle of

**G (1bar), Gmaj7 (1bar),
C(1.5 bars), D(a passing smidgeon)**

Verse 1

Feel it, falling off like clothing
Taste it, rolling on your tongue
See the, lights above you glowing
Breathe them, deep into your lungs

Pre-Chorus

D C
It was always simple, not hidden hard
D
You've been pulling at the strings
Bm
Playing puppeteer for kings
C
And you've had enough

Chorus

G D
But the search ends here
C
Where the night is totally clear
Em D
And your heart is fierce
C
So now you finally know
You control where you go
(Back to Verse chords)
You can steer
So you finally know
You control where you go
You can steer

Verse 2

So hold this feeling like a newborn
A freedom surging through your veins
You have opened up a new dawn
So bring on the wind and the rain

Pre-Chorus 2

D C
It was always simple, not hidden hard
D
You've been played at a game
Bm
Called remembering your name
C
And you stuffed it up

Chorus

Bridge
D Em C
'Coz you've been listening for answers
D Em
But the city screams and all your dreams
C
go unheard

G Gmaj7

Chorus into Outro - ends on G
