 D
certain that you care

Though you keep on saying you

really, really, really love me

someone else when I'm not there.

Chorus

Bm
Suspicion, torments my heart,
Suspicion, keeps us apart,
 A7
Suspicion, why torture me?

D
Every time you call me and tell me
 Em
we should meet tomorrow
Em
I can't help but think that you're
 D
meeting someone else tonight,

A7

Verse 4

D
Why should our romance just keep
 Em
on causing me such sorrow?
Em
Why am I so doubtful whenever
 D
you're out of sight?

Chorus

Verse 5
D
Darling, if you love me, I beg you wait
 Em
a little longer,
Em
Wait until I drive all these foolish
 D
fears out of my mind,

Verse 6

D
How I hope and pray that our love will
 Em
keep on growing stronger,
Em
Maybe I'm suspicious cause true
 D
love is so hard to find
