

Individual notes on the ukulele

This diagram (found somewhere on the net and sent to us) is a useful representation of where each note is positioned on each string. Some note positions are not portrayed (e.g A is also on the 12 fret of the A string, on the 17th fret of the E string and the 14th fret of the G string).

Example

To find A

Fret #2 on the G string (4th string)

Fret #9 on the C string (3rd string)

Fret #5 on the E string (2nd string)

Fret #0 (the nut) on the A string (1st string)
