3. Dance me to the wedding now, dance me on and on
 Dance me very tenderly and dance me very long
 With both of us beneath our love, both of us above
 And dance me to the end of love
 Dance me to the end of love

4. Dance me to the children who are asking to be born
 Dance me through the curtains that our kisses have outworn
 Raise the tent of shelter now though every thread is torn
 And dance me to the end of love
 Dance me to the end of love

5. Dance me to your beauty with a burning violin
 Dance me through the panic 'til I'm gathered safely in
 Touch me with your naked hand, touch me with your glove
 And dance me to the end of love
 Dance me to the end of love
